### **THE STORY OF THE CITY AND THE SYMBOL WITH RABBI MICAH STREIFFER**

Join us as we explore the story of Jerusalem as a place AND an idea: its obscure origins; how it became the Israelite capital; its role in Rabbinic stories, in poetry and prayer, and in the visions of early Zionist leaders; its complicated meaning in today's Israel and in Jewish identity. From ancient stones to modern dreams: the inspiring, surprising story of the the holiest city.
